MARKER 7 is a longtime dream of mine that finally fell into place. Growing up in the Tampa Bay area I loved eating great seafood and relaxing in coastal bars. We are trying to duplicate that here in 5 points in this great old historical home. Our oysters come from the Gulf of Mexico and shrimp from the coast of Georgia. Depending on what is in season, we will be offering specials outside the everyday menu that we hope you enjoy. So sit back and relax, let your mind drift off to that little stretch of beach where we all wish we were.
